SUMMARY

Motivated IT undergraduate with a strong foundation in Object-Oriented Programming and full-stack web development. Experienced in building REST APIs and relational databases, with a solid grasp of React, Next.js, and Node.js/Express. Comfortable with Git/GitHub, API testing, and deploying scalable applications. A quick learner with strong problem-solving skills, seeking a Full-Stack Developer Internship to contribute to quality software projects and grow with the hybrid team at Eontech Global.

skills

Languages:	JavaScript, Python, Java (OOP), HTML, CSS, SQL
Frontend:	React, Next.js, Tailwind CSS
Backend:	RESTful APIs, Flask (Python), Node.js / Express.js (Basic), JWT Authentication (Basic)
Databases:	SQLite, MySQL, MongoDB (Familiar)
Tools & Deployment:	Git, GitHub, Postman, VS Code, Android Studio, Figma, Vercel / Render (Basic)

EDUCATION

Higher National Diploma in Information Technology

Advanced Technological Institute, ATI Rathnapura (SLIATE) | 2.5 years

Relevant coursework: Fundamentals of Programming, Object-Oriented Programming (Java), Software Engineering, IT Project Management, Software Quality Assurance

PROJECTS

Plant Doctor AI

Python, Flask, SQLite, MobileNetV2, Postman, Git/GitHub

- Developed a backend REST API with Python (Flask) to serve a machine learning model (MobileNetV2) for real-time image processing.
- Designed and structured a relational database with SQLite to securely manage application data.
- Tested API endpoints thoroughly using Postman to ensure reliability and smooth frontend-backend integration.
- Maintained clean, reusable code with Git and GitHub version control.

FUTURELERN.LK (E-learning Platform)

- Frontend: HTML, CSS | Backend: Python (Flask), PHP | Deployment: GitHub Pages, Vercel
- Developed a comprehensive e-learning web platform featuring course directories, instructor rosters, and user authentication services.
- Built responsive frontend templates and implemented secure authentication backend routes.
- Managed version control and continuous deployment using GitHub.

LANGUAGES

Sinhala: Native English: Intermediate
